Hi Mike,

After I asked Elizabeth to contact you, I found out the consultation is already set for Tuesday morning, so I'll plan to travel on Monday evening. Thanks!!

Subject: Stibnite Mine Consultation

Hi Mike. My supervisor, Dean Ingemansen, will be attending the consultation with the Nez Perce Tribe on the 27th. He and others who will be attending the consultation are trying to make travel arrangements. They are looking at flights into Pullman, WA and then driving to Lapwai. They are hoping to make the trip there and back in one day, but that would mean that they would not be able to meet until 1:30 and would need to leave by 5:00. I understood from our call that the timing of the consultation is still in flux, so I thought I'd offer this information just in case the Nez Perce Tribal Executive Committee has flexibility in its schedule. Thank you.

Elizabeth
